What our users are saying...

John R.

I am truly in love with this website! Simple and easy to navigate.

John M. Adams

This website changed the way I organize my vacation plans.

Melissa P.

Enjoying the website so far. Can't wait to see any future updates!

Carmela D.

My husband and I use this website all the time and it never fails to get us where we need to be.

VACAYTREE

OUR MISSION

We strive to help the everyday
person plan their vacation.
Whenever and wherever.

Our Main Goal

To help our users organize their trips into one file.
No matter how big or small their itinerary is, we make sure
they can locate what their next destination is and all the
details behind it such as cost, time, place and much more.

OUR VISUAL ELEMENTS

PRIMARY LOGO

In our primary logo, the logo image is within the brand name. (Text 54px)
(Image Height 65px)

SECONDARY LOGO

In our secondary logo, the logo image is separated from the brand name in cases situations that do not require the logo image (Image Height 63px)

OUR APPROACH

There will always be a 54px gap under or over the Logo letters. With the header it is 72px up and 63px down. 63px is the base of most gap between borders and the edge of the website.

Secondary Logo is always 18x from corner of the website on both sides height and width

Do's and Don'ts of Imagery

Do's

Use stock images that are clear,
hi-res images without watermarks

Dont's

Do not use images with
watermarks or low-res

Disclaimer: AI Images are strongly
discouraged and should not be used

Important Notice For our Partners

Image Boards must be displayed in this format if there is no image uploaded by user yet. Do not use AI generated images to replace this.

Reviews and Ratings

- Ratings do not have to be shown with stars/rating bubbles in the Home page
- Ratings need to have a 5 star/rating bubble display in the ratings and review page
- Ratings need to use Limed Oak Color #a87c54
- User Ratings CANNOT display last name only the first abbreviation.
- Users that have reviews that do not fit in the review bubble must be shortened with a “More” button to display the entire review

Overview

Our main targeted audience would be the everyday traveler but specifically the one friend in the group that always makes the group vacation itinerary. Sometimes it can be a hassle that's why we are here to help. No matter how long or short the trip is, VacayTree is designed so that all your plans can fit on one screen.
